du Canada**CALCULATION OF CUMULATIVE NET INVESTMENT LOSS (CNIL)
TO DECEMBER 31, 2009**

- Use this form if you had any **investment income** or **investment expenses** for 2009.
- Your CNIL reduces the amount of your cumulative gains limit for the year and may affect the allowable amount of your capital gains deduction.
- Even if you are not claiming a capital gains deduction in 2009, you should still complete this form if you had any investment income or expenses in 2009.
- Because the balance in your CNIL account is a cumulative total, you may need this information in a future year. Keep a copy for your records and attach another to your return.
- If you need more information, contact **1-800-959-8281**.

Note

If you have capital gains other than from the disposition of qualified farm property, qualified fishing property or qualified small business corporation shares in 2009, you should start by completing Chart A on the next page of this form to determine if you have additional investment income to include when you calculate your CNIL.
